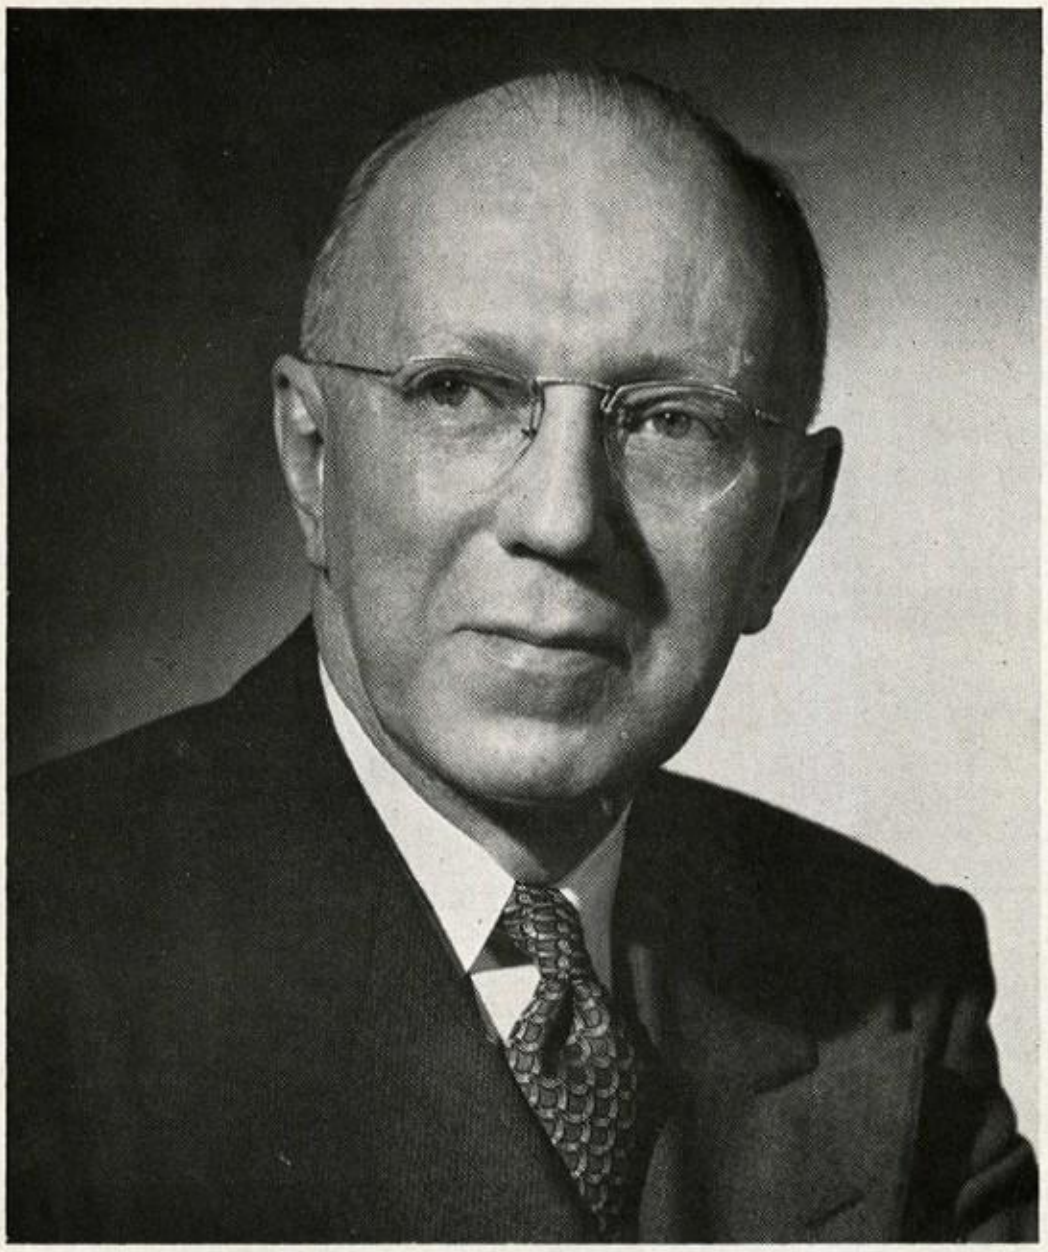
Foreword

This year marks the silver anniversary of Mansfield Senior High School. June brings the 25th class to graduate from this building. Through this book, the Manhigan staff has endeavored to give you a permanent record of the happenings of this year. And so, the staff extends a hand of fellowship in this year's "HANDS" issue.

DEDICATION

To Mr. George Sherman, head of the Commercial Department and School Treasurer, we, the Class of 1952, respectfully dedicate this year's Manhigan.

Despite his many responsibilities he is always willing to help students become better citizens in the working world by offering freely his wide knowledge gained by actual practical experience.



MR. W. L. MILLER

Mr. Miller, the superintendent of schools, has done an excellent job here in Mansfield and has stimulated a great deal of progress in the school system of this town.

THE BOARD OF EDUCATION

The Board of Education has the very difficult job of selecting worthy teachers for the city schools and outlining the policies of the school administration.

FACULTY

Truly the hardest and most time consuming job at M. H. S. is that of principal. For the past eleven years, this school has been very fortunate in having Mr. Rohleder to fill this job. Mr. Rohleder is not only a friendly counsel to those who have troubles, but has contributed a great deal toward making our school one of the very best in the state, both scholasticly and athleticly.

Mr. Rohleder can usually be found in his office and is always welcoming those who wish to confer with him to come and see him.

Assistant Principal

MR. H. D. BISHOP

Mr. Bishop is not only the assistant principal in charge of the boys, but he also conducts a most interesting and educational class on Social and Economic Problems which exist in our country.

CLASS HISTORY

Embarking on the submarine "Knowledge" approximately 500 students in September 1940, started their "Operation Underwater." Through this operation, the students hoped to obtain their desired goal—graduation.

Many leagues below the surface of the water, the submarine lodged on one of the group of small submerged islands of Brinkerhoff, Prospect, etc. Here, upon leaving their submarine, the students were separated into various elementary groups and began the first steps in their explorations and experiments.

After completing six long years of toothless smiles and gangly legs, the group once more boarded the submarine "Knowledge" to continue the operation.

Submerging several more leagues, their next stop was the twin islands, Appleseed and Simpson. 217 students were sent to Appleseed, and about 221 went to Simpson.

Such competition and rivalry developed between the two islands. Football and basketball teams were organized, and both teams underwent rugged seasons. During the third year on these islands the two teams clashed. Appleseed came out victorious winning the championship in both sports. As was the custom, a queen was selected to represent each island. Pat Daugherty did the honors for Appleseed, while Shirley Yoakum was the royalty chosen by Simpson.

MISS MARTHA WEIMER
. . . Class Advisor

The **Appleseed Press** was published under the leadership of Joan Brunn as editor, and Janet Neal as assistant editor, while on the other island, the **Simpson Times** went to press directed by Harlan Burns, and assisted by Warren Worthley.

For their third and final year the students organized on their respective islands, and elected officers to serve as administrators of the group. Joan Truax was elected to lead the group at Simpson, with Harlan Burns and Lowell Hess as co-vice presidents, and Bill Seminoff as secretary and Vivian Uhl, treasurer. Appleseed elected John Auer as president, assisted by Tom Goodhart, vice-president, Nancilee Clark, secretary, and Tom Brittan, treasurer.

At the closing of this third and final year on the twin islands, the students from Simpson and Appleseed united and again reembarked on the submarine "Knowledge".

Going down still another league under the sea, the group in the submarine began the last part of "Operation Underwater." After traveling for a period of time, there was discovered right in the path of the submarine, a more massive underwater island than any that had been encountered thus far. It was decided that the last three years in the operation would be spent here on the island, Mansfield Senior High.

The group, now consisting of 420 members, set about electing Neil Roller, Lowell Hess, Janice Smith, and Harlan Burns as officers to direct the operation.

Needing funds to finance the senior year in "Operation Underwater", the class with the able assistance of their advisor, Miss Eva McCurdy, held a circus dance in the spring of 1950.

CLASS HISTORY (Cont.)

With the coming of the second year, Neil Roller, Lowell Hess, Nancy Ward, and Harlan Burns were placed in the important executive positions. This year the money-making projects included the selling of tyger pep shirts, and the sponsoring of several after game dances in both football and basketball seasons.

One highlight of this second year was the queen and her court selected by the class. Chosen to reign over the Home-Coming assembly and dance were Shirley Yoakum and her court, Betty Hudec, Barbara Yeager, Pat Daugherty, and Judy Bolin.

With the election of four capable leaders, the seniors started their last year of "Operation Underwater." For the third consecutive time Neil Roller was elected president while assisting him were John Auer, vice-president, Nancy Ward, sercetary, and John Knight, treasurer.

Since Miss Eva McCurdy had to depart to an operation of her own, Miss Martha Weimer took over the strenuous job of class advisor.

Under the management of James Willard and Jane Germany as co-editors, the **Manhigan** went to press, and the **Hypho** under the guidance of Edythe Browarsky and Denny Dolan, co-editors, was emitted.

The third annual "Varsity Varieties" was performed on March 13, preceded by a "Matinee" on March 12, in the Senior High School Auditorium.

Among the outstanding accomplishments in "Operation Underwater" were the Christmas sing, led by the Carolers, and dances after the football and basketball games, and the annual Easter Sunrise Service, held at the First Presbyterian Church.

For the first time in Senior High history, an election of a Manhigan Queen was introduced. Based on their beauty merits Pat Daugherty and her court, Janet Geary, Donna Feeman, Sally Ritzenthaler, and Janet Neal were selected.

Sky High, the senior class play, was presented on March 27 and 28, each night by a different cast—another new feature of the Senior class.

During the three years spent on the island, Mansfield Senior High, many of the group received recognition for their good work on the honor roll and honorable mention.

With completion of a successful banquet and all-night prom, the seniors were almost at their goal — graduation.

Then at last, the operation successfully completed, on June 5, 1952, 354 seniors received their diplomas indicating the progress made during "Operation Underwater."

In 1950, 386 students entered Senior High to become the sophomore class. Early in 1951 they elected Art Lomax, Dick Fry, Pat Quinlan, and Thelma Poorman as their officers. Under the guidance of Mrs. Hoffman as their advisor they sponsored the first basketball album, which consisted of pictures of the basketball team. The project proved very profitable for the class.

In the fall of 1951 the class elected Art Lomax, Dick Guy, Pat Quinlan, and Thelma Poorman as their officers for the junior year with Mrs. Hoffman as their advisor. At midyear Carol Schad replaced Thelma Poorman as treasurer. In November they presented the home-coming assembly at which they introduced their queen, Gretchen Snyder, and her court, Kathleen Bolin, Pat Quinlan, Marlene Remy and Connie Paulson. During the football and basketball seasons they sponsored several dances and pep assemblies and again presented the popular basket albums.

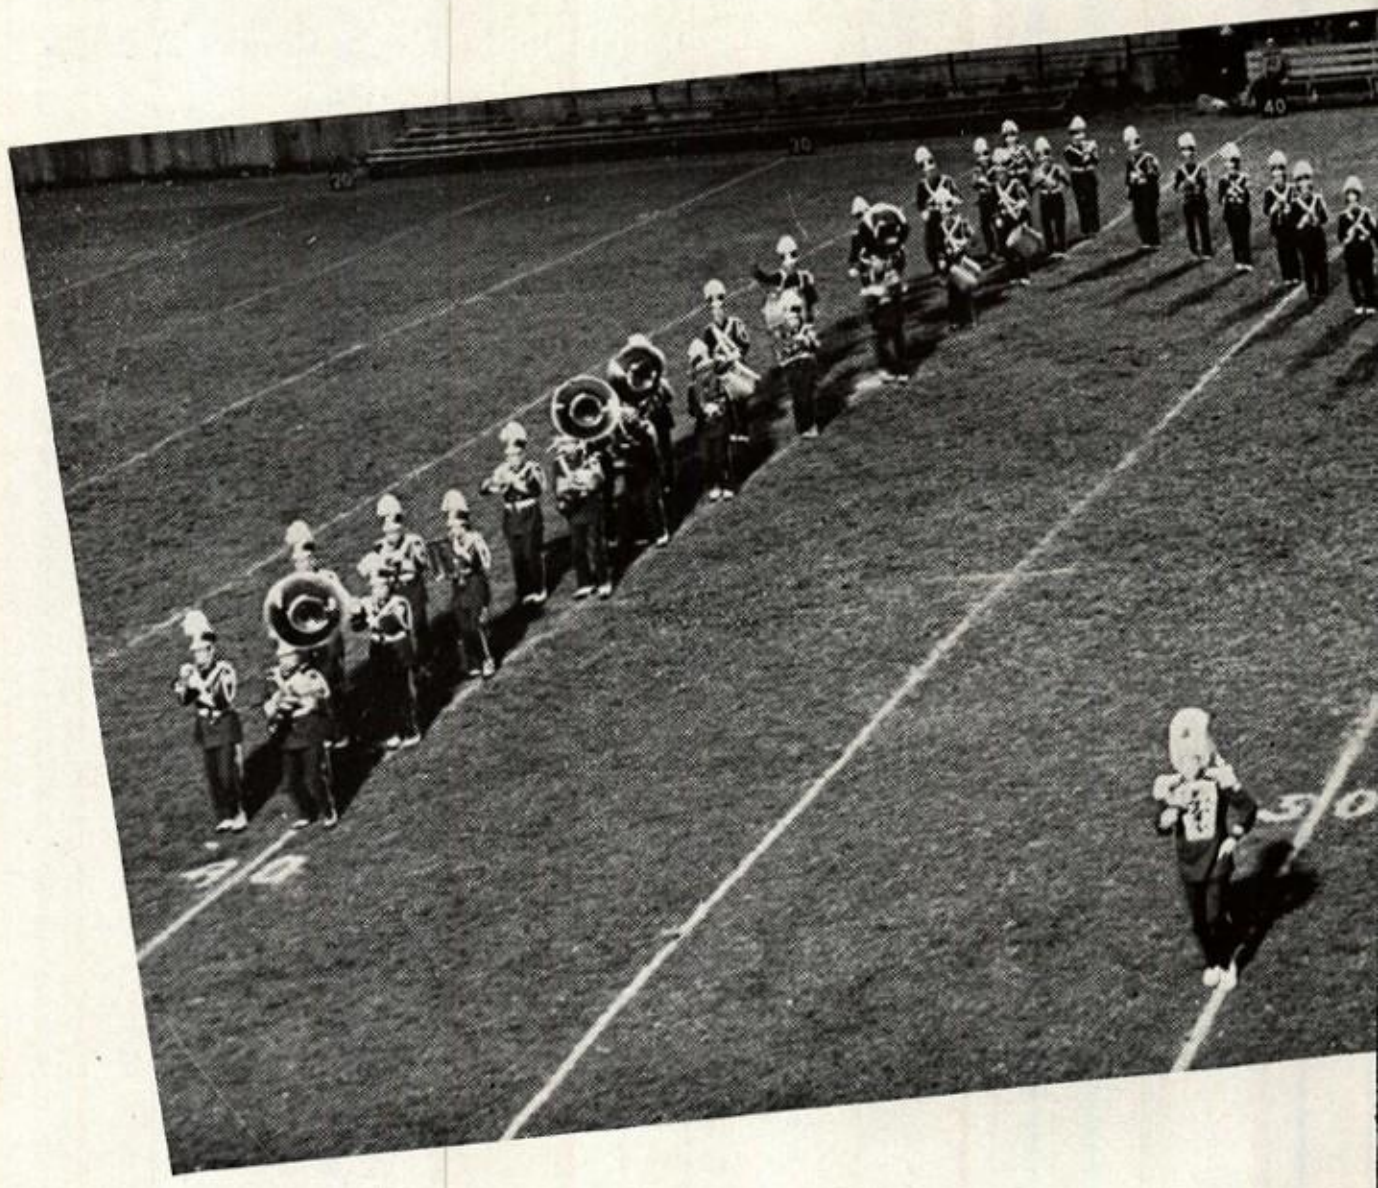
TYGER MARCHING



To the strains of "Fight the Team" the Marching Tyger Band marched proudly down the field preceding the games. During the halftimes snappy shows were presented to the fans no matter the conditions of the field or weather. By practicing two nights a week after school started, and before school, and first period every day, the band was able to present top-notch programs. After "Football Band" came "Pep Band". This group played at pep assemblies, home basketball games and the Marion tournaments. The band members, Tygerettes, and directors, Mr. Tatgenhorst and Mr. Wolf, deserve credit for their hard work.

BAND

TYGERETTES AND DRUM MAJORS

Ken Cairns, Pat Edmonstone, Sue Schwab, Norma Robertson, Shirley Tucker, Joan Horseman, Barbara Jo Frye, Sally Hassinger, Marlene Remy, Harry Theohar.

The Orchestra met and practiced one period every day this year. They participated in the P. T. A. program and the Senior Recital. The music before and during the intermission time of the Senior Class Play was furnished by them.

The Concert Band presented two fine programs this year besides appearing in the newly created Band Festival which was held in Mansfield this year. It was found that the MHS band could always be counted upon.

OPERETTA CHORUS

In its second year of organization, the Operetta Chorus has again proven its capability in producing fine operettas. Under the direction of Mr. Robert Smith the chorus gave two productions this year. These were: **Down in the Valley,** by Kurt Weill; and **Pirates of Penzance,** by Gilbert and Sullivan.

STAGE CREW

STAGE CREW

Without the hard work of these boys who worked backstage, assemblies, class plays, choir and band programs, and outside entertainments would not have run smoothly. This year the stage crew under the direction of Mr. Earl Heasley consisted of Ben Gray, Jim Shambaugh, Nolan Leatherman, John Young and Karl Simon.

VARSITY VARIETIES

The Senior Class production of Varsity Varieties took its audience in a "trip around the world", stopping for a brief visit in many countries. Diana Hale, the mistress of ceremonies, acted as stewardess. Aided by the versatile John Robbins and many stooges, the audience was well entertained between stops. The jet landed first in England to hear Frank Daniels.

Gene Rodey and Ruth Sweet made us feel right at home in Ireland. Gay Paris—no trip would be perfect without a Paris nightclub—Neil Roller and the Can Can dancers showed us that. In Italy we were welcomed by Pat Damoff and Tom Ward. What did we see in Germany? Why, that lively German Band! We stopped next at Russia to see Cynthia Cretors dance nimbly. Then on to the land of enchantment, India, where we were treated to seeing the Maharaja and his harem. No, we'll never forget those graceful dancing girls. Nancy Wolf entertained us in Japan. South American rhythm by Diana Hale. Mysterious drums and a fascinating dance thrilled us in Hawaii. Our trip wouldn't have been complete if we hadn't toured our own country. In Hollywood, we saw the wild wooly west portrayed by Diane Funston and the Indian Dancers. Dave Schwein and Rosemary Jones made us feel weird and eery in the Louisiana bayous. Rhythm beat from every corner in Harlem with Lincoln Adkinson, Reba McFadden, and Charlene Dansby. Jane Germany portrayed Mansfield. We were home all too soon from a breathtaking trip that we'll never forget.

Many people working diligently behind the scenes gave the show that professional touch and ranked Varsity Varieties of 1952 as one of the top theatrical shows.

The Manhigan certainly gives Varsity Varieties of 1952 a hearty hand o fapproval.

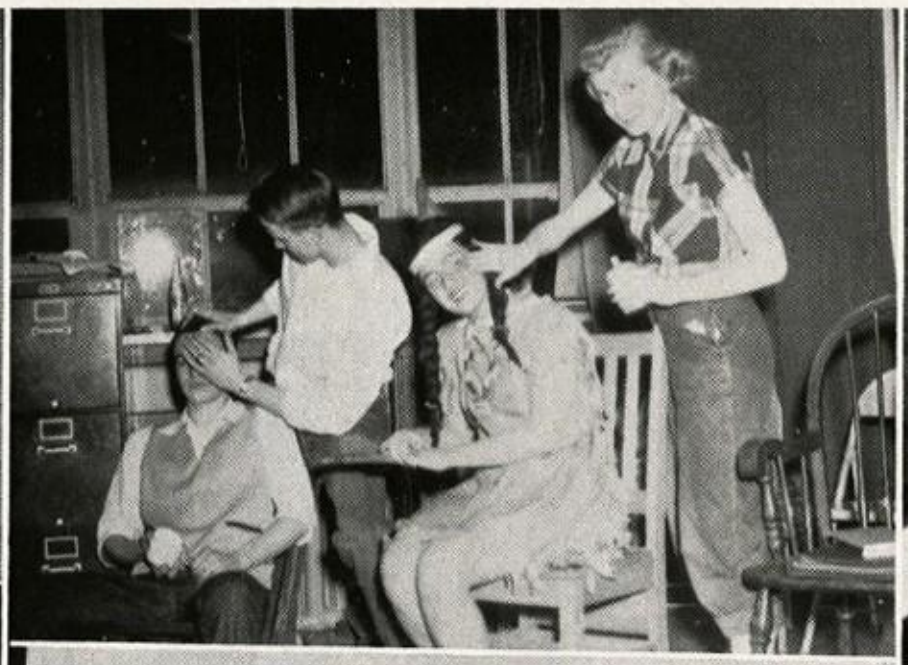
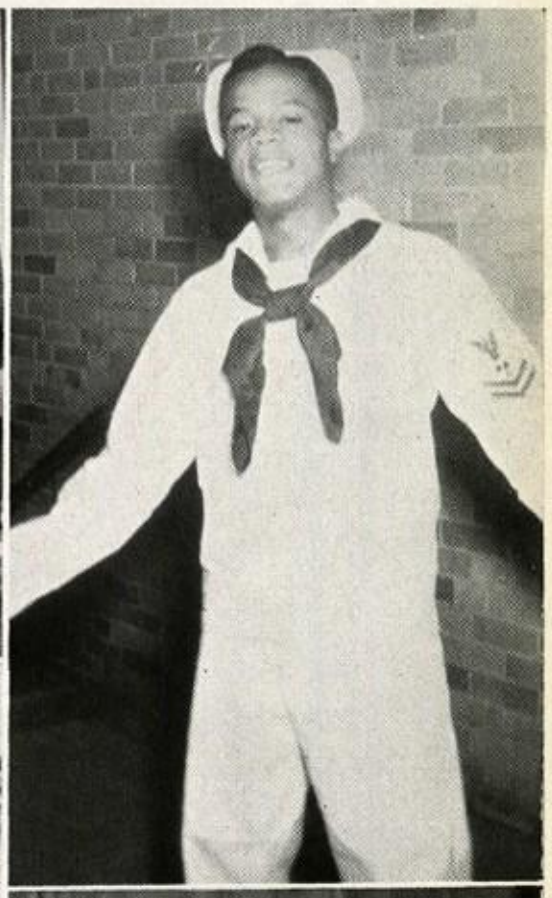
...Varieties





"Sky High" a delightful mystery-comedy was presented March 27 and 28 as the Sr. Class play under the direction of Mrs. Carl Thomas and Mr. Earl Heasley, speech and dramatics instructors. The entire action of the play took place in the living room of Sky High, a skiing lodge in the Pacific Northwest. Because of a cave-in of a tunnel the guests and college students up for the week-end find themselves marooned. The cast provided hilarity and thrills by the minute. The directors found the talent so great that they were forced to doublecast some of the roles. Each night's cast portrayed their roles so realistically that the near-capacity audiences actually lived the exciting story of espionage. The characters were as follows:

Kaddy, a maid with a vacant expression ..... Joyce Cramer, June Klein
Mrs. Petmore, the owner of the lodge ..... Donna Feeman, Charlotte Lemley
Mr. Mundy, an odd visitor who wrote murder mysteries . Raymond Gerrell, David Schwein
Oscar, a husky, rather stupid hired man ..... Tom Goodhart

SPARKIN'

Orry Sparks, a backward mountain boy goes callin' on his neighbors, the Hannas, who have a shy and pretty girl, Lessie. Granny Painsberry, a tobacco chewing, wisecracking old mountain woman, seems to be always saying the wrong thing and scaring Orry half to death. All turns out well in the end, however.

Granny-Donna Feeman
Lessie -- Janet Geary
Susan -- Joyce Cramer
Orry -- Larry Harper
The production which has been shown to several audiences was under the direction of Mrs. Thomas.

Hank Taylor, a college student	John Robbins
Tracy Arnold, a college student	Neil Roller
Jill Davis, a pretty college girl	Sallie Ritzenthaler, Nancy Ward
Monica Shane, her satirical roommate	Margo Mathias, Cynthia Ackerman
Toots Livingston, a brainless doll baby	Diana Schultz, Diane Brook
Dr. Barto, a communist agent posing as a professor	John Hill, Larry Harper
The Stranger	David Schwein, Raymond Gerrell
Hewlett, Carter, West, FBI men	Warren Worthley, Bill Griffin Thomas Garn

The two casts made history each night due to certain incidents they met and overcame. Credit must also be given to the committees and stage crew who did their part in making "Sky High" a huge success.

Women and Baseball

In the first picture a lady of the "good old days" is shown attending a baseball game with her husband as chaperon and protector. The second picture gives a view of the modern day woman baseball fan attending the game on ladies' day with a friend. Margo Mathias protrayed the roles.

FOG ON THE VALLEY

For the first dramatic assembly this year members of the advanced dramatics class under the direction of Mr. Earl Heasley presented "Fog on the Valley". This was a story of the wrought up emotions between a boy, Nory, and his stepmother, Judith. The scene took place in a mountain cabin right after the death of Dave Carson. The combined forces of the Reverend, Kathy, and Sarah, break the storm restoring sunshine to the valley once more.

CHRISTMAS, INCORPORATED

Mary Daly, department store worker, remembers the loveliness of her childhood Christmas and the meaning attached to the season. Her feeling for Christmas is savagely destroyed by the gross commercialization of the "seasonal spirit" and she decided to quit. After talking to a child she goes back to her job, aware now that Christmas is not to be found in the material trappings of a "season", but in one's own heart.

This group of girls aids Miss Danback in checking attendance of students. In addition to collecting attendance slips every morning and afternoon from homerooms, they run errands, file cards and write pass slips for tardy students.

LIBRARY STAFF

Ably directed by Miss Culbertson, head librarian, the library staff checks books in and out of the library and help students secure their desired reading material. A Christmas party was held this year by the group.

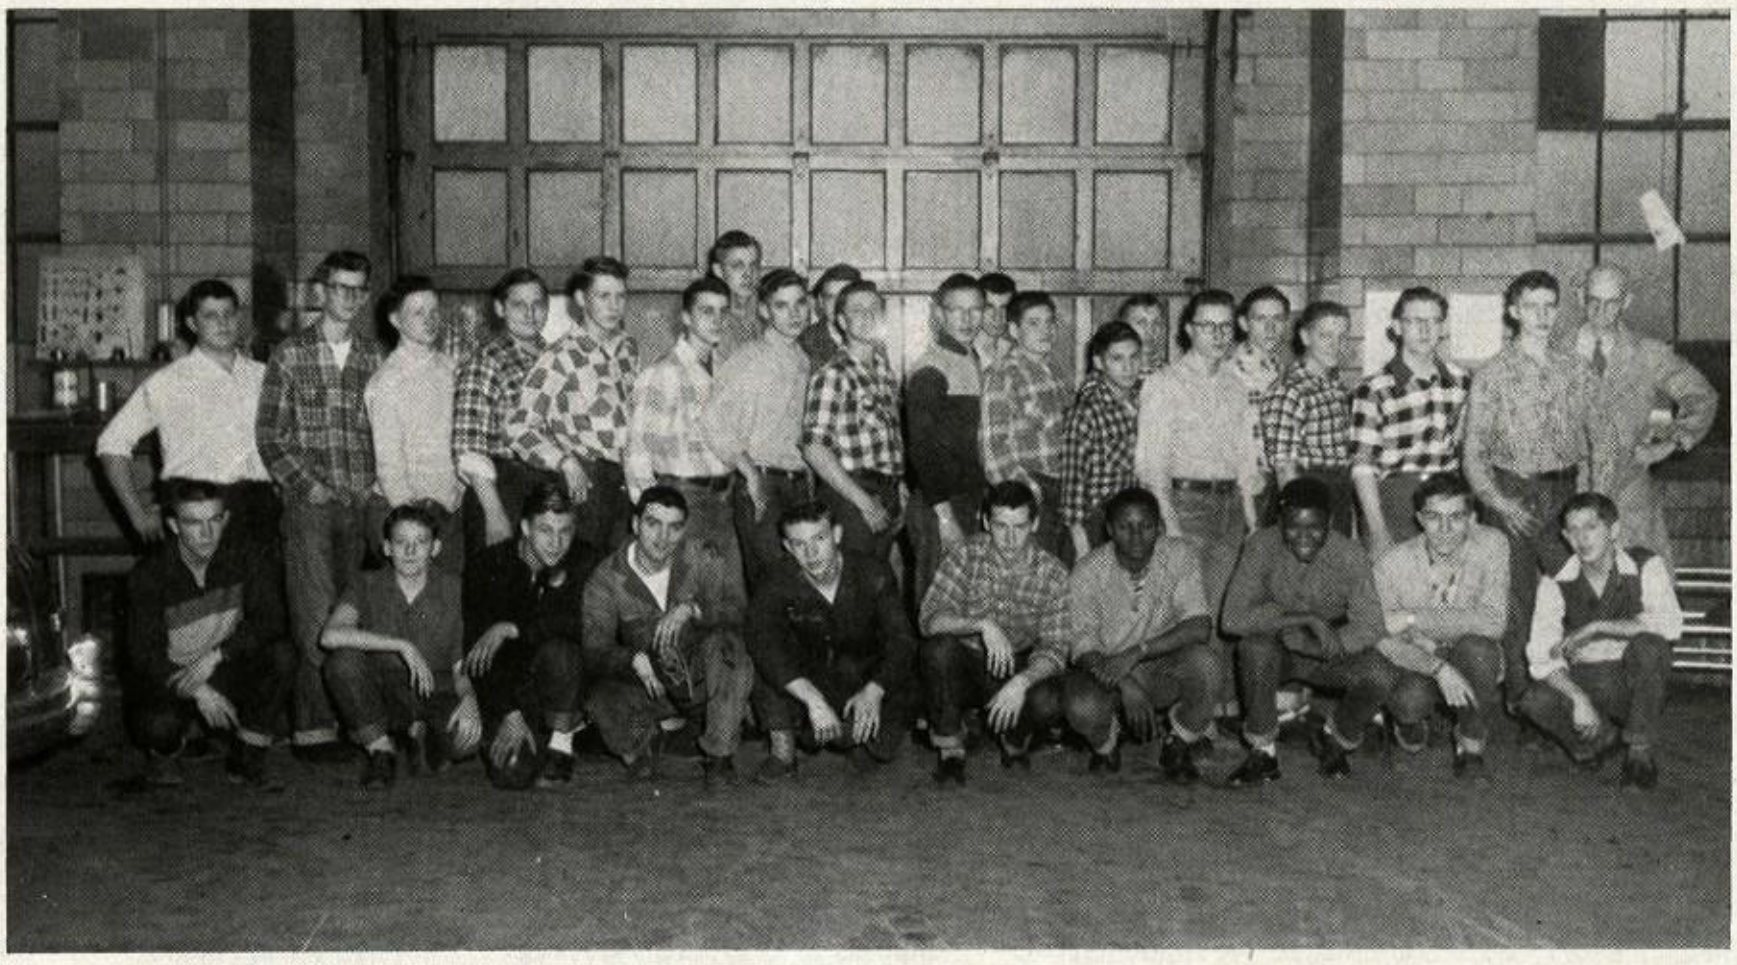
SCIENCE CLUB

Due to the large number of students interested in science, the Science Club was formed early in the year. During the year they performed experiments, heard lectures, presented a pep assembly, and held a party. The officers of this year's club were President, John Hill; Vice President, Jim Willard; Secretary, Joyce Miller; Treasurer, Ray Gerrell. Mrs. Harris and Mr. Vanderbilt were the advisors.

The Vocational Club, the purpose of which is to promote and maintain good fellowship among the students of the various shops and to promote any worthwhile movement that will benefit the school as a whole, was organized in 1930 by a group of twenty students of the vocational department. Members of the club hear lectures on various trades and industrial subjects by men from local industries and see industrial movies. This year under the leadership of Bob Rahall, president, the club has sponsored skating parties and movies for the students.



OFFICERS: Treasurer, John Wilson; Mr. Swack; President, Frank Schultz; Vice President, Jerry Wetzel; Secretary, Beverly Bethel.

FUTURE RETAILERS

Distributive education has become a popular part of the curriculum of Mansfield Senior High School and has become equally popular throughout the nation.

As a result, state and national distributive education clubs have been organized in which each student taking the course becomes a member. Since its inception in 1941 it has gained favor and the organization has continued to grow. Recently the eighth annual state convention was held in Columbus, Ohio at which time officers were elected for the coming year.

Under the capable leadership of Mr. H. R. Swack, the distributive education group of Senior High has completed a successful year. The objective for this group has been to further education in the field of retail merchandising.

In addition to the school room studies of merchandising, salesmanship, store operation, and business English, each student is required to hold a part-time position whereby he can apply the principles learned in the classroom.

Along with the more serious part of this organization is the social phase in which many activities are planned throughout the year, the most important of which is the Employer-Employee banquet held at the end of the school year. This is an evening of good food, good fellowship, and fun, in which cooperation and a better understanding of mutual benefits has been promoted.

CHRISTMAS BASKET

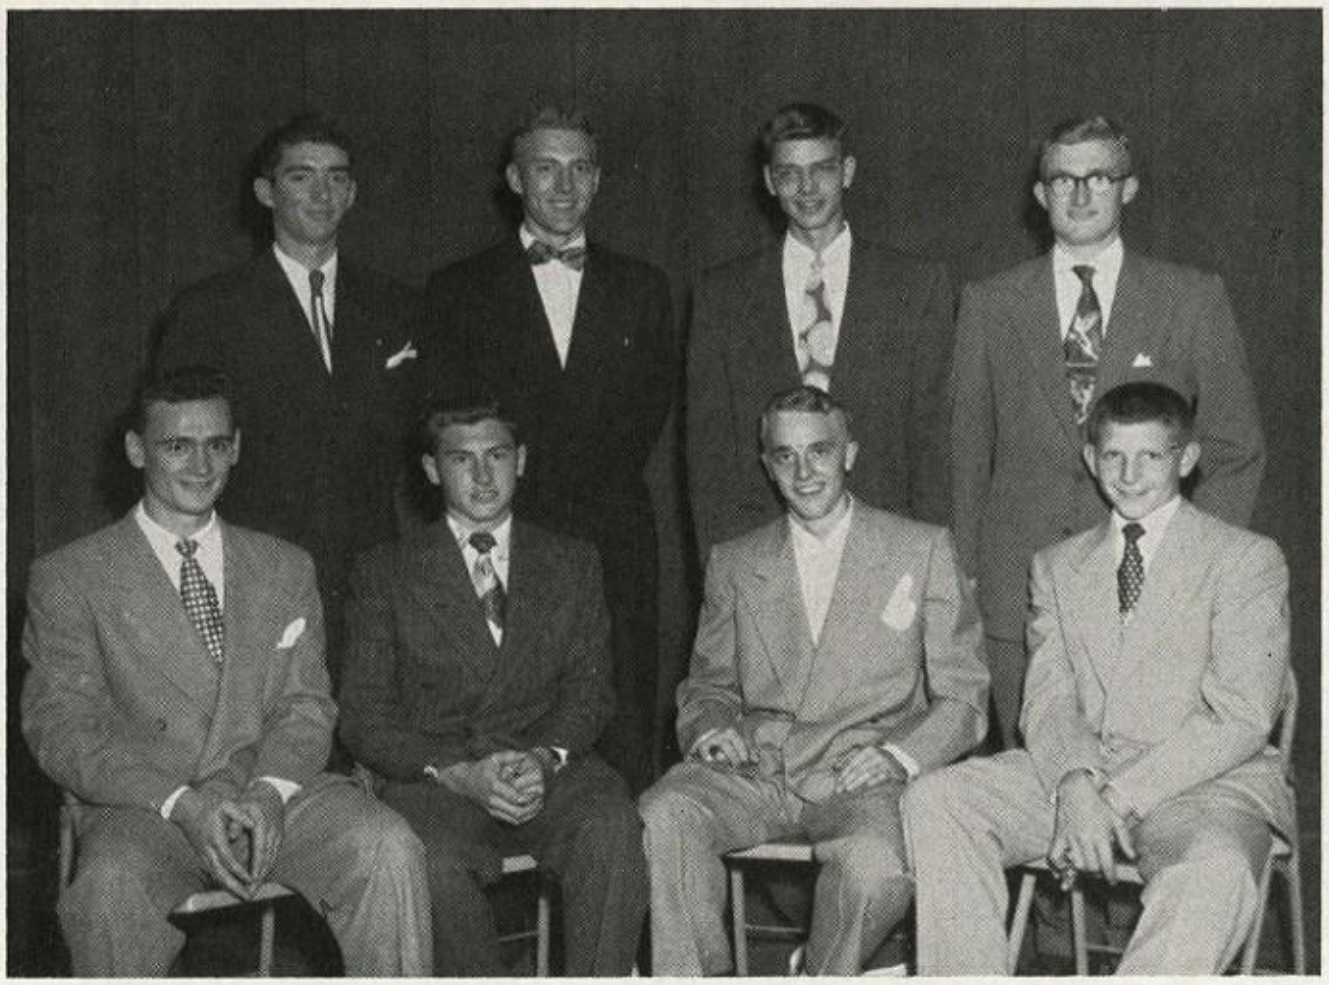
The worthy project of filling and distributing gaily decorated Christmas baskets to needy families all over Mansfield was completed successfully during the festive Christmas season by these MHS students under the capable leadership of Mrs. Whiting. The food, toys, clothing, and money which went into these Merry Christmas baskets were contributions of students and teachers.

FUTURE TEACHERS

Consisting of students interested in the teaching profession, this group learned more about their prospective vocation by meeting together to discuss their interests. They met some of their problems as they actually taught classes. This year's officers were President, Marilou Smith; Vice President, Rosemary Jones; Secretary, Dave Eyerly; Treasurer, Dorothy Elsasser; Historian, Romona Leatherman; and Librarian, Lowell Hamilton. The advisor of this group is Miss Pearl Danback.

BOYS STATE

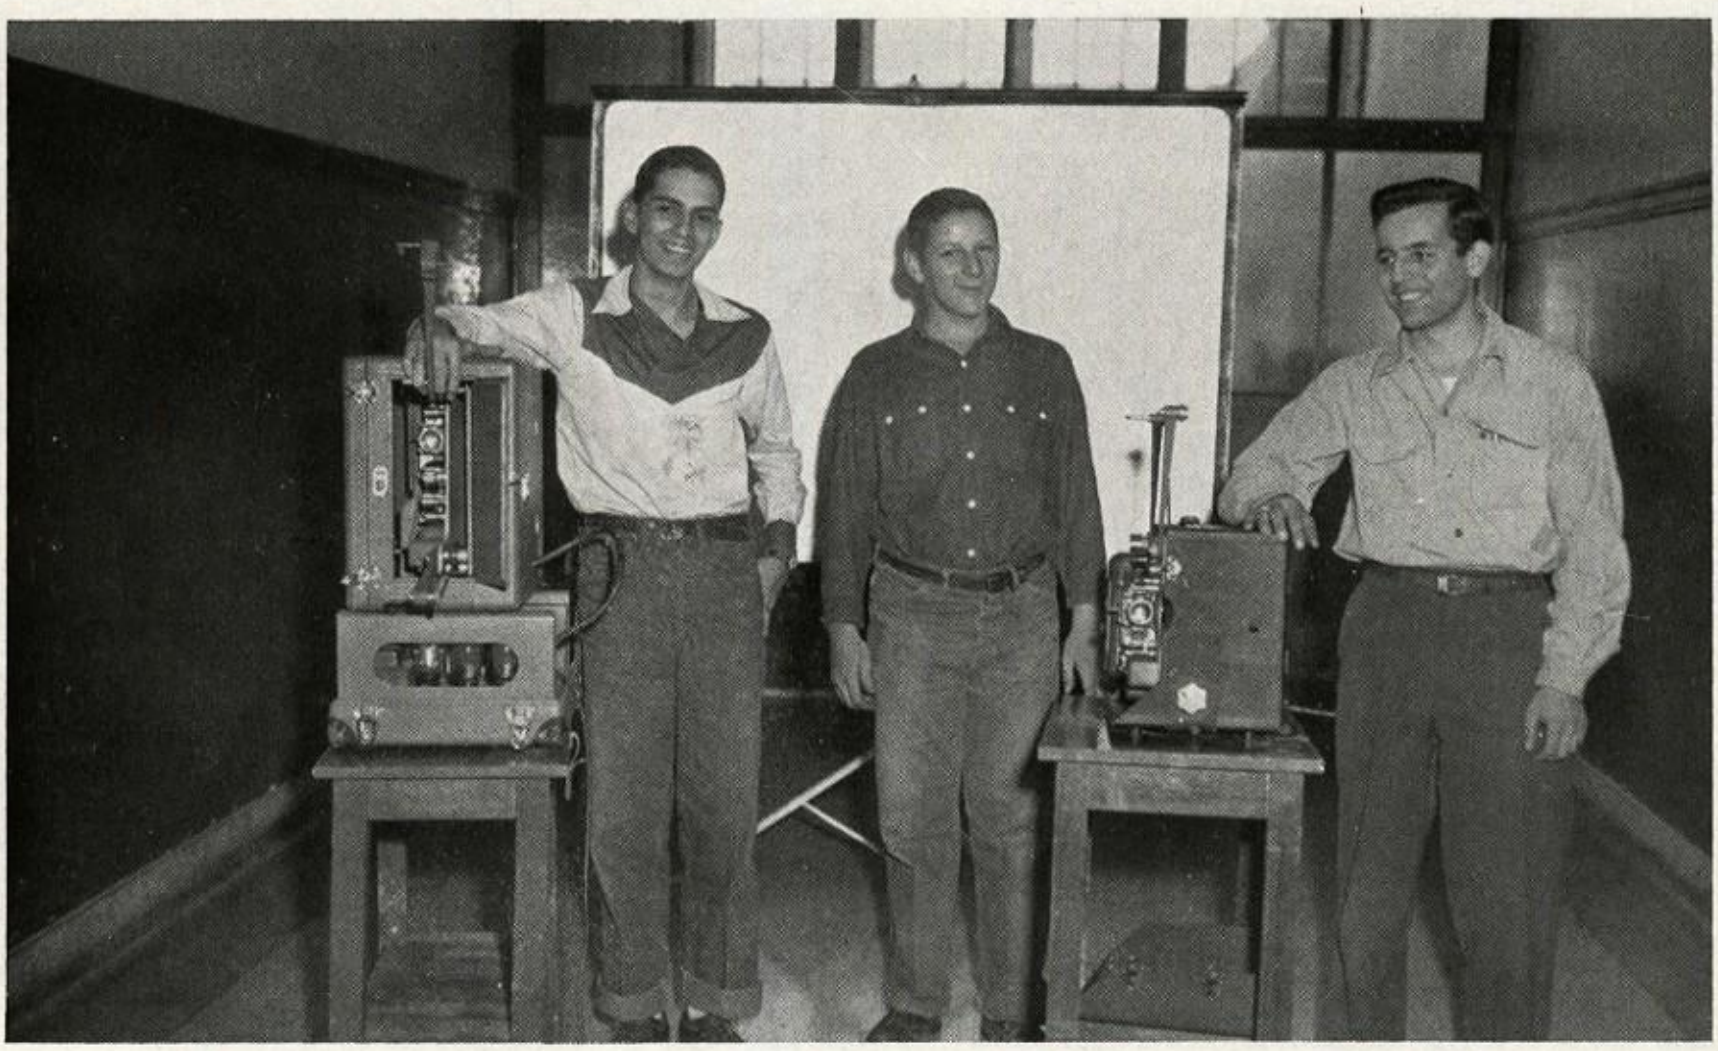
Nine junior boys, chosen on scholastic ability, leadership, and service to their school, represented MHS at 1951 Buckeye Boy's State which was held at Camp Perry, Port Clinton. There they became more familiar with how city, county, and state governments work. Their own governments were set up with regular officials. MHS was represented by Lowell Hess, Tom Hathaway, Neil Roller, Wilson McLean, Butch Schwein, Jim Willard, John Robbins, Jim Rusk and Eldon Lown. Mr. Elder was the advisor. John Robbins was elected Treasurer of the state. The other boys held minor offices in the state and city governments.



ROW 1—Jim Rusk, Eldon Lown, Dave Schwein, Lowell Hess.
ROW 2—Wilson McLean, Neil Roller, Jim Willard, Tom Hathaway.

VISUAL EDUCATION

The showing of moving pictures in your classrooms is handled by these boys under the direction of Mr. Fred Elder. They learn how to operate, clean, and repair the motion picture equipment. Their work helps the teachers of MHS make their subjects more interesting.



The S. O. P. C., Society of Prospective Collegians, is an organization of seniors who have an interest in attending college. During the year, representatives from colleges talked to the group to acquaint them with its institution and to point out the problems of prospective collegians. This year's officers were President, Dave Schwein; Vice President, Ray Gerrell; Secretary, Fern Clemons; Treasurer, Cynthia Creators; Librarian, Helen Meister; Corresponding Secretary, Janice Smith. The advisor of this group is Miss Bolus.

FRENCH CLUB

Parlez-vous francais? French Club was organized this year to promote a better understanding of the French language and of native French customs. Any French or former French students were eligible to become members. Movies, discussions, and skits were presented at the monthly meetings. The officers this year were President, Frank Daniels; Vice President, Ray Gerrell; Secretary, Cynthia Ackerman; Treasurer, Denny Dolan; Program Chairman, Sandra Nichols. The French Club advisor is Miss Mendenhall.

A newly formed organization this year, the Faith-Teens handled the scripture readings and programs during the morning announcements. At their meetings they heard speakers and discussed religious works and institutions. Dick Baxter served the group as President with Ramona Leatherman as Vice President, Marilyn Ebbert as Secretary-Treasurer. Mr. Rahn was advisor of this group.

Hi-Fun Committee

The YMCA-YWCA Monday night dances from 8:00 till 10:00 at the YMCA were made possible by the work of this group of students who not only planned them, but did the decorating, sold tickets, and bought the records. At Halloween, Thanksgiving, and Valentine Day special dances honoring the season were held. Square dances for variety were also sponsored by the Committee.

PEP CLUB

Pep! Pep! Pep! This is what members of the Pep Club strived for and produced by sponsoring pep assemblies, rallies, bonfires, and buses to out of town games. They sold paper shakers and sat in a special section for cheering at the athletic contests. Actress Jeanne Crain and pitching ace, Bob Feller, were two well-known guests at rallies. The officers this year were President, Jim Rusk; Vice President, Ophinell Davis; Secretary, Jane Germany; Treasurer, Bob Kinney. Their advisor is Mrs. Vern Hoffman.

INTER CLUB COUNCIL

The inter-club council, which is composed of the president, vice president, and one elected girl from each club, is the governing body of the Y-Teens. This newly formed council sponsored the spring formal and the January open house.

SENIOR Y TEEN

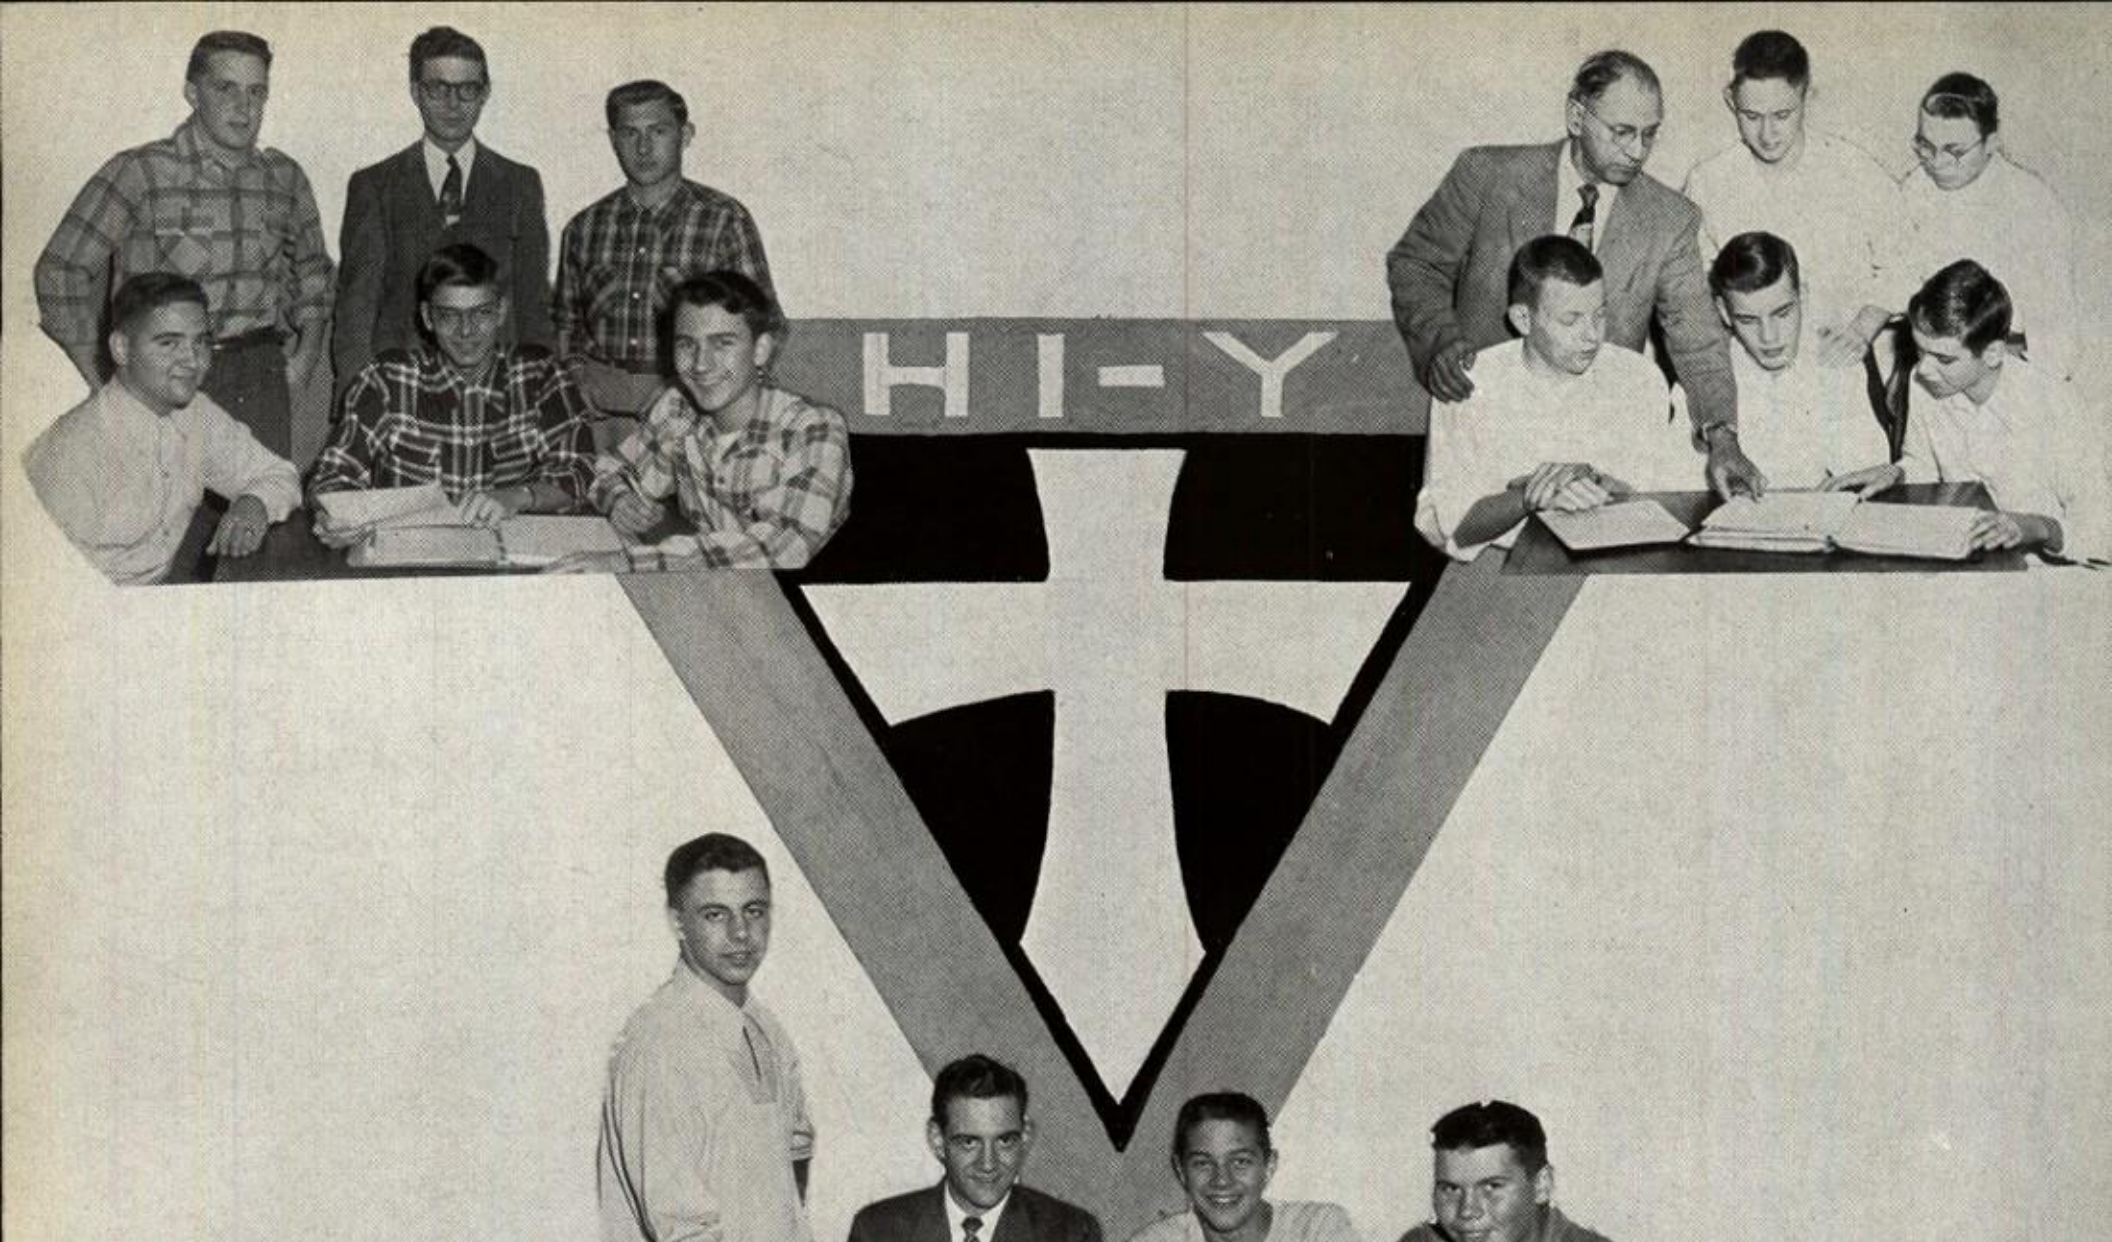
A Halloween party for the children of the Children's Home was an outstanding event on the program of the Senior Y-Teen. The seniors, headed by Janet Neal, meet every Monday night at the Y. W. C. A.

JUNIOR Y TEEN

One of the main projects of the Junior Y-Teen, under the leadership of Rita Staples, was sending candy to the underprivileged children in the Philippine Islands. This group also conducts their meetings on Monday nights.

SOPHOMORE Y TEEN

The Sophomore Y-Teen gave a Christmas basket to a needy family during the festive season. Throughout the year they also held a variety of parties, which included a theater party. Phyllis Paulson is president of this group which meets on Tuesday nights.



The Hi-Y clubs of Mansfield met every Monday night at 7:00 at the YMCA. The Senior Hi-Y worked hard to earn money for their trip to Washington, D. C. during Spring vacation. They sold salt water taffy, tyger pennants, book covers, pencils, and serpentine. Hayrides and parties were social events of the year, while Christmas baskets and clothing drives were some of the service projects. A series of educational lectures on narcotics were held. James Willard served as President, with Ken Cairns as Vice President, Larry Harper as Secretary, and Herb Kronefeld as Treasurer. Eldon Lown was Chaplain and Mr. Loesch, advisor.

The Quintres Hi-Y led by Don Beddard sold lifesavers and had a bake sale to raise funds. They heard speakers and saw movies on Youth and Government. Members of this club helped the other Hi-Y's in conducting of the March of Dimes in the school. The officers were Vice President, Bob Black; Secretary, Tom Bates; Treasurer, Norman McCracken; Chaplain, Courtney Bourns; Mr. Bishop served as their advisor.

The Sophomore Hi-Y chose Oliver Henkel to serve as President; George Yoakum, Vice President; Jack Elliot, Secretary; Phil Norman, Treasurer; Bill Schettler, Chaplain; and John P. Dye as advisor this last year. They earned their money by having a paper drive and selling coat hangers. They aided in the March of Dimes and Heart Fund Drive. Dear Mr. Gerrell:

It is difficult to choose the prettiest girls from photographs only, but Wally Westmore, Paramount make-up artist, graciously consented to help us.

After taking into consideration personality, hair-do, and balance of features, we have made our decision as marked on the photos being returned herewith.

Hoping no one gets hurt, and with best wishes -

Sincerely,

Enclosures

For the first time in the publication of the yearbook, a Manhigan beauty queen was selected to reign over the annual. All senior girls pictures, excluding those on the Manhigan staff were first turned over to a judging committee consisting of Mayor Thomas B. Wright, Mrs. Jean Tharp, and Judge Kalbfleisch. They selected five photographs which were sent to Bing Crosby, who graciously honored the Manhigan by making the selection of our queen. Chosen were Patricia Daugherty as queen, and Janet Neal, Sallie Ritzenthaler, Donna Feeman, and Janet Geary as attendants. We of the Manhigan applaud our queen and her court of beauty.

MANSFIELD DROPS SEASON'S OPENER

Spearheaded by two all-city stars, back Larry Boyer and end Jerry Ford, Akron South displayed great speed and maneuverability in spoiling the 1951 Tyger debut 27-13.

The Cavaliers had piled up a 20-0 margin at the half, but Senior High came back with a burst of power and scored within three minutes of the kick-off. The score was made after Rich Esbenshade recovered a fumble to set up a touchdown by Shasky.

MANSFIELD TAKES CLEVELAND EAST

Striking swiftly in the second and fourth quarters Mansfield Senior High's 1951 football aggregation copped their first win of the young season by defeating a spirited Cleveland East 14-0.

The first score came when Joe Diemer made a circus catch of Bobby Matthew's pass. The final score came with only 40 seconds remaining in the game. Fullback Jack Brickley raced 65 yards behind beautiful downfield blocking to score. Bob Stauffer kicked both extra points.

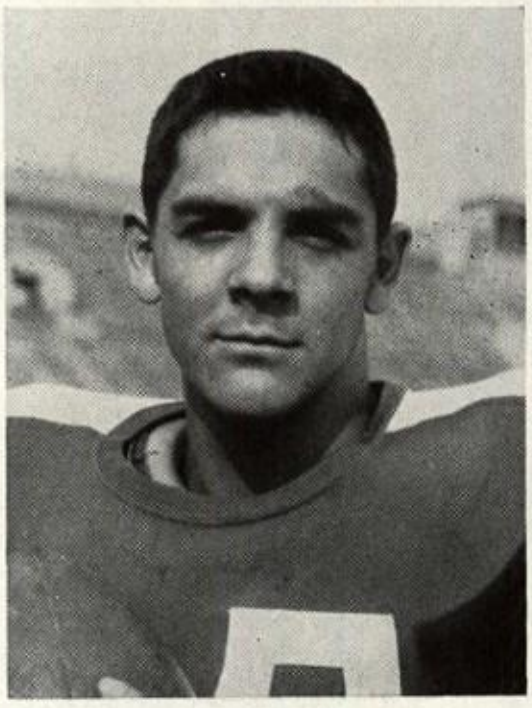
TYGERS TIE AVIATORS

Senior High's up-and-coming Tygers battled the Alliance Aviators to a 7 to 7 deadlock in their first Ohio Scholastic Conference tilt.

The power plays by Brickley, and the broken field running by Johnny Auer set the ball up for Brickley's score. With four minutes remaining in the game the Tygers marched 69 yards in 10 plays in a futile effort to snatch a victory — only to see the clock run out.



BEN CARBETTA

TYGERS SHOW FIGHT

Senior High's terrific Tygers proved their right to the ranking as one of Ohio's potent football powers when they surged back in the final minutes to upset fourth ranked Warren 7 to 6.

The payoff punch came with less than three minutes remaining when Ben Carbetta knotted the score by hitting Jon Truax beyond the goal line. As an hysterical crowd of 9,000 looked on, Bob Stauffer coolly toed the ball clear of the uprights.

Tygers Defeat SCARABS

Cleveland East Tech's speed and ground gaining ability throughout the game proved inadequate against the stubborn Mansfield Tygers and thus lost here to the tune of 21 to 18.

The running of Auer, Brickley and Shasky was responsible for two of Mansfield's touchdowns. The other TD came on a pass from Ben Carbetta to co-captain Lou Luckie. Again Bob Stauffer's golden toe was the deciding factor as he connected for all three placements.

Massillon Mauls Mansfield

Massillon's terrific Tigers lived up to their name, "the red-hottest high school football team in America," when they handed Mansfield a 54-0 defeat.

Playing before the largest 1951 scholastic crowd in Ohio, Washington High effectively mixed lengthy gains on sweeps and a potent passing attack to roar over the Tygers for one touchdown in the first quarter, three in the second, and two in each of the last two periods.

TYGERS TOPPLE STEUBENVILLE

Showing terrific ground-gaining power the Mansfield Tygers rolled up a 31-12 score over a large Steubenville Central team.

Behind the hard-running of John Auer and Jack Brickley, the Tygers roared over the veteran Central team for one touchdown in the first quarter, three in the second, and one in the third. Steubenville scored the first and last touchdowns on passes from Rich Santilli, but could do nothing between.

Without the managers the football team would not have been the success which it was. They worked long and hard at practices and were always busy on the sidelines during the games. There is not much glory in being a manager, but these boys have to follow training rules just like the players. When a touchdown is made they feel that they have helped to make the victory and are proud members of the team.

Playing on a snow-covered field, the Mansfield Tygers pounded the Canton McKinley Bulldogs with 20 points in the first quarter to win as they pleased. Although hampered by constant snow and freezing weather, the Tygers put on their most impressive victory of the 1951 campaign.

Brickley took the second half kickoff and roared down the middle for 85 yards behind perfect blocking for the longest run of the season. Other scores were made by Auer, Shasky, Schluter, and Stauffer.

Tygers Upset Toledo

A tremendous Mansfield Senior High School football team smashed for two touchdowns in the closing quarter to record a surprising 19 to 7 triumph over big and bruising Toledo Waite before 9,000 hysterical Arlin Field Fans.

The victory was Mansfield's third straight and its most impressive of the season. Waite's forward wall, its 30 pound per man advantage, could not hold the improving tygers and the fine running of fullback Jack Brickley.

MANSFIELD DROPS THRILLER

Ringing down the curtain on the 1951 gridiron campaign the Springfield Wildcats topped the Mansfield Tygers 7 - 0 in a thrill-packed hard-fought battle.

This game was not only an excellent football show, and a colorful homecoming, but it marked a great step toward a sportsmanlike rivalry.

Springfield's only score came in the first quarter when Williams roared off tackle of 78 yards. The next three quarters were fought on fairly even terms.

HOMECOMING QUEEN

GRETCHEN SNYDER

Queen Gretchen and her lovely court represented our school at the Annual Homecoming game. Gretchen was crowned by the retiring queen, Shirley Yoakum, in an assembly the morning preceding the game. The assembly was based on an English court scene and was sponsored by the Junior Class. Students and alumni will long remember the dignity and charm with which was befitting of Gretchen rule.

The torrid Mansfield Tygers will long be remembered for their outstanding performances during the season of 1951-52. With each player showing some outstanding ability on the basketball court the Tygers combined their ability into a smooth working team which produced a record of 17 - 6.

The Tygers broke all previous scoring records with a 91 point outburst for one game and a season total of 1,517. Bill Semonoff 348 led the scoring parade with which enabled him to take over fifth place in individual scoring for MHS. Fred Zahn ended the season with 278. And big 6′8″ Bob Kinney with 264. Each Bengal led the scoring for one game or another. Jim Schafer captured the foul shooting with a percentage of 80% (40 of 50).

Three Tygers received All-Ohio mention with Bill Semonoff, Bob Kinney, and Fred Zahn making the All-Ohio INS second team. The Tygers will have two veterans back next year with Bruce Bushnell and Jim Schafer.

COACHES

The success of the Mansfield Tygers is credited to that man with the bald head, Mr. Vern Hoffman. Mr. Hoffman's teams have been called the teams to beat by the opposing coaches. Besides turning out outstanding teams, Coach Hoffman has turned out several outstanding players. Coach Hoffman's teams have won the Sectional Tournament four times out of the last four years, and the District three times. Assisting Coach Hoffman this year was Al Maccioli, coach of the sophomores.

MANAGERS

Never seen in action on the court, but very busy off the court are the managers, who clean the balls, run errands, do book work and lock up in the evenings. Art Lomax was head manager and was assisted by Phil Ford and Gene Currati. Gene was absent when the picture was taken.

THE RESERVES

This year's reserves ended the season with the very impressive record of fourteen wins against five losses. Throughout the season, under reserve coach Al Maccioli, they worked together as a well-molded unit. Many of their games were every bit as tense and exciting as those of the Varsity.

These boys that will form the main-stays of next year's varsity are:

Row 1—Pudge Henkel, Dave Miller, Whitey Smith, Bud Kent, Jack Cline.
Row 2—Ned Diemer, Bill Schettler, Paul Jaynes, Bruce Doner.
Row 3—Jim Brock, Coach Maccioli, Ed Deeds.
Row 4—Don Beddard, Bill McDonald, Dick Guy.

Row 2—Rich Esbenshade, Jim Willard, Harvey Glasgow, Alan Bodin.

BECAUSE OF EARLY PUBLICATION NO RECORDS WERE AVAILABLE.

TENNIS

Row 1—Jim Willard, Ray Gerrell, Chuck Davison, Roger Fenneman, Sam Yarger.
Row 2—Courtney Bourns, Bill Fisher, Tom Bates, Gene Rodey, Dave Miller, Phil Ford.

TRACK

Row 1—Bill Olinger, Ed Avery, Truman Jackson, W. B. Jones, Harvey Yoha, Bill Hayes.
Row 2—Fred Bair, Ralph Eccles, Gene Glover, Bob Matthews, John Reed, Phil Norman, Jim Thompson, Coach Harry Mehock.

Row 4—Jon Truax, Harlan Groves, Ron Reed, Richard Luckie, Jack Cline, Harold Kimblert, Louis Luckie, Chuck Morton, Dave Kick.

Harry Mehock, with his many years of experience, hopes to bring the track team through another successful season. During the winter the team practiced down at North Lake Park Coliseum and then took to the track when the weather became warmer.

The Tygers kept the shuttle - hurdle relay and 880 yard relay titles. Bud Montgomery, Lou Luckie, Ed Avery, and Bob Milligan ran the shuttle relay in 58 seconds, Jon Truax, Bob Matthews, But Montgomery, and Chuck Mertler ran the 880 relay in 1:33. The Tygers will be a definite threat in the East Tech and State Meet.

The 1951-1952 school year marked the beginning of an all-out Intramural program. Under the direction of Coach Bill Crutchfield and with the help of the Intramural managers this Program became a great success.

The sports program started out with a volley-ball tournament which was won by home room 102. Following volley-ball, basketball then took the spotlight with home room 307 taking the school championship.

At the time this book is being published the Intramural Council is in the process of totaling all team and individual points. They will be posted after Easter Vacation. Immediately following the vacation water polo, swimming, horse shoes, soccer and softball will be the staging of the tournament basis. At the end of the year trophies will be given to the winning teams and to each member of the winning team.

GIRL'S SPORTS

GIRL'S SPORTS

Soccer, volleyball, basketball, and softball, the major sports in the girl's physical education classes, have much to contribute to the recreational needs and interest of the high school degree of skill coordination and control for the individual alone as well as to the individual objective cooperating with others. The teamsports hope to stimulate the individual to physical, intellectual and emotional responses to their apparent needs.

Table tennis, tumbling, badminton, gymnastics, and dancing are the minor sports. These also have the same objection as the major sports. The sports program is so planned that a girl has much variety in the gym classes. Both the major and minor sports are under the capable direction of Mrs. Mary Martin.

The second division of the Girls' Physical Education Department is Swimming. The classes range from beginners to advance swimmers. Such strokes as the crawl, back, sicle, breast, elementary back and front and the trudgen are learned after these strokes have been mastered, diving is then taken up. The swan dive, the jackknife, back dive, and many others are included in the swimming program. The classes also study water ballet which helps a girl to obtain rhythm and grace. At the end of the year, a swim meet is held. The girls compete in form swimming, speed swimming, and diving. Prizes are awarded to the best contestant in each field. These activities are under the direction of Miss Janet Gochenaur.

G. A. A. AND EXECUTIVE COMMITTEE

G. A. A. is one of the most prominent clubs in Mansfield Senior High. Membership is open to any girl willing to participate in various sports activities throughout the year. During the season points are gained by actively engaging in these games G. A. A. has many social functions, a few of which are the banquet-dance in February and the picnic in May. The executive committee was founded to help guide G. A. A. to success. It consists of the four G. A. officers, two juniors, two sophomores, the president of Leaders and the two advisors, Miss Janet Gochenaur and Mrs. Mary Martin.

LEADERS

LEADERS

Assisting in the gym classes and tournaments of G. A. A. is the group of girls known as Leaders. The requirements to join this club are above average grades and a membership in G. A. A. The rules of the various games are discussed at the monthly meeting. To set a good example of leadership and sportsmanship is the aim of the leaders.

TEAM CAPTAINS

The team captains are a branch of the Leaders. They serve as captains of teams and score in tournaments. Everyone who wishes to join Leaders must serve as a team captain for one year. By doing this they gain experience before becoming leaders next year. They meet once a month with the leaders. Both leaders and team captains are under the advisorship of Miss Janet Gochenaur and Mrs. Mary Martin.

TEAM CAPTAINS

INTRAMURAL CHAMPS

BOWLING CHAMPS

G.A.A. holds its annual bowling intramurals at the Colony Bowling Alley on weekday evenings after school. There is no need for one to hesitate to sign up for bowling as you really don't need to know a thing about the game. You learn as you play. Gold metals are presented to winning team having the highest point average at the end of the tournaments.

SOCCER CHAMPS

The field behind the school at the beginning of each year is the scene of an active game called soccer. This begins the G.A.A. intramural tournaments. These games are held during weekday evenings after school. They are open to all G.A.A. girls and points are given for those participating in this game. Gold medals are distributed to the members of the undefeated team. A few scars and bruises may be the results, but you have a lot of fun while getting them.

VARSITY BASKETBALL

Early in the year the tryouts for Varsity Basketball are held in the gym for those who wish to become members of this team. All girls in G. A. A. are eligible to join. Points are given for participation. Mrs. Mary Martin directs the practices. After a few practices, playoffs with the surrounding schools in the area are held. This team is very popular with the girls even though it may mean early hours and hard work.

SPORTSHEAD

The sportshead is a limb from the Leaders Club. This office provides for eight girls whose duty is to take care of the various sports tournaments. Lining of teams, playoffs, and seeing that games run according to schedule are just a few of sportshead duties. These girls are selected by the Leaders Club and even though it may seem like hard work, it is really fun.

ARCHERY

This club was organized in September by Mrs. Mary Martin. The purpose of this club is to teach any girl who belongs to G. A. A. a little bit about archery. The bows and arrows are supplied by G. A. A. The meetings are held at Middle Park every Thursday after school. This is one of the most prominent clubs in G. A. A.

SWIM TIME

Every Wednesday after school starting in October and ending in April swim periods are held for any girl interested in swimming. Here is a good opportunity to keep up on your swimming even though it is not summer outside.

Watching over you at the swim time are lifeguards of G. A. A. The only requirements for this are regular attendance and ability to swim. Both are under the direction of Miss Janet Gochenaur.

Jo: "Amazing! I can't understand it."
Joe: "Neither could the Spaniards."

Private: "This spinach has too much sand in it."
Sergeant: "Food doesn't matter. You came here to serve your country, didn't you?"
Private: "To serve it, yes. To eat it, no."

Traffic cop (to woman driver): "Use your noodle lady! Use your noodle."
Lady: "Where on earth is it? I've pushed and pulled every gadget I see on this car."

Cop: "Why wouldn't you let this woman pass you?"
Driver: "I was going to - as soon as I found out what side she wanted to pass on."

Cop: "Lady, you can't park here. Don't you see that sign, or can't you read?"
Lady: "Certainly I can read! It says, 'Fine for parking.'"

Teacher. "Johnny, why is it wrong to say, 'I have went'?"
Johnny: "Because you ain't went yet."

Student: "Do you think that I have hidden talents?"
Teacher: "If you have, it is well hidden, and will never be found."

Shoo: "The Pilgrims came over on the Mayflower, the midgets on the shrimp boats, what did the Red Cross come over on?"
Shmoo: "The blood vessels."

Definition: A juke box is an invention which took the rest out of restaurant and put the din in dinner.

Visitor: "Is this town a healthy place?"
Old Resident: "It sure is. When I came here, I couldn't utter a word. I hadn't the strength to walk across the room. I even had to be lifted from bed."
Visitor: "Amazing! How long have you been here?"
Old Resident: "I was born here."

To Those Who Gave A Helping Hand

The job of preparing the material included in the Manhigan would have been impossible without the hard work of each and every member of the staff.

Our advisors, Mr. Harold Loesch and Mr. George Sherman, were quick to see our difficulties and enabled us to avoid many errors with their helpful and timely advice.

The technical phases of production were capably handled by Richard Armen and Courtney Bourns, our photographers, the Richland Printing Company, and the Pontiac Engraving Company of Chicago.

Mr. Rohleder, Mr. Bishop, Miss Danback, Mrs. Bowles, and Miss Brown for their patience in helping us solve many problems.

The faculty and you, the students of M. H. S., for your encouragement and cooperation which has made our work immeasurably easier.

"For the brands you know"

English II—You can sleep undetected in a classroom by pretending to shade your eyes.

English III—An active verb shows action; a passive verb passion.

English Lit.—They told us that it was a snap, but Lady Macbeth went crazy.

Chemistry—An acid bath is not for human beings. If a human being should take one, it would produce a rather washed-up effect.

Geometry—The square of the hyppopotamus is the sum of the four legs.

Latin—"Pax in bello" does not mean freedom from indigestion.

Spanish—The word "burro" does not refer to a dressing table.

World History—The "Concordat of Worms" refers to the farming theories of Sir Walter Raleigh.

American History—The dates you are supposed to remember aren't the ones on Friday and Saturday nights.
